**Notice: Urgent Attention: Avoid Fee Payment Apps that create Issues in
Fee confirmation on CDOE Admissions website 2024-25**

1. You are advised to pay the fee through Post Office Challan/Internet Banking/Debit Card/Credit Card preferably. Making payment by any other mode UPI, Scan Code or any other Online Payment App (like Google Pay, Paytm, Amazon Pay etc.) is creating some issues with regard to fee confirmation . Applicants/Students are advised not to use these apps as fee confirmation may get delayed for which CDOE is not responsible.

2. Kindly don't press any key while Online fee Transaction is being processed (for example pressing keys to take screenshot or pressing back button), this may create issues in fee confirmation. Kindly wait until transaction completes.
